

Covid-19 Update

Updated 12/18/20

Dear Valued Customer,

With the stay at home order being lifted in Wisconsin Lake-View Electronics will continue any safety measures that have been implemented to ensure the safety of our employees and our customers.

The following are still available.

1. FedEx and UPS
2. Customer pickups (Call upon arrival)
3. Freight Orders
4. Value added services

SHIPPING GUARANTEES:

During this COVID pandemic, our shipping companies have suspended all “Money Back “ claims for ‘Air’ shipments not delivered by the promised time – they are doing their absolute best to get your packages to you in a timely manner. This includes delays due to Acts of God (natural disasters, weather and acts of war).

Thank you for your patience and understanding during this extraordinary time, your business is very important to us.

Lake-View Electronics will follow any government mandates or updates with new information about Coronavirus as it is released and will update you on any new changes.

For any question please call us at 1-800-686-8439
