

# Tilt Switch Assembly

## Product Features

- Easy to mount
- Small package size
- IP67 rated
- High current capacity
- Long life
- Extended temp range
- Rugged construction
- Sealed automotive connector

## Specifications

Typical operating angle: 7° to 11°  
Maximum included angle: 11°  
Maximum switch voltage: 240 VDC  
Maximum switch current: 11A  
Initial contact resistance: 3 milliohms  
Stand off voltage: 2500 V  
Operating temperature: -38° to 105°C  
Typical number of operations: 10,000,000  
Switch body length (potted): 1.6875"  
Wire type: AWM 3123, 20 AWG silicone jacket  
Wire length: \*5.000"  
Total assembly length: \*7.000"  
Connector: Delphi 12015792

\* Length +/- 0.125"
